Benedict College is a private, liberal arts, co-educational, Baptist affiliated institution with 24 undergraduate majors. Established in 1870, Benedict College has an enrollment of approximately 2,100 students with a student to teacher ratio of 19:1 and a student to computer ratio of 10:1.

Benedict College has many academic support programs and extra-curricular activities. One-third (1/3) of graduating students pursue post-secondary educational degrees. Seventy-one percent (71%) of faculty members hold a doctorate. The College is located within two miles from the State House in the Capital City of Columbia.

MISSION

Benedict College will be a leader in providing transformative learning experiences for a diverse student body, defined by superior cultural and professional competencies that are nurtured and developed by faculty, staff and stakeholders who value innovation, customer service, community and industry engagement.
