

# 2021-2022 Aggregate Verification V5

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called "Verification". The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

1. **It is strongly recommended that you select the IRS Data Retrieval option on your FAFSA.** This option will streamline and expedite your transmission of federal tax data. As a student selected for federal verification, if you do not wish to use the IRS Data Retrieval Tool or are unable to use the IRS Data Retrieval Tool to provide tax information, you will be required to obtain an official "IRS Tax Return Transcript" by logging into <http://www.irs.gov> or calling 1-800-908-9946.
2. Complete all sections of this worksheet and provide the required signatures. **Do not leave any sections blank.**
3. **You are considered dependent if you were required to provide parental information on your FAFSA.**
